

JOB ANNOUNCEMENT

Hyde County Health Department

Position: Environmental Health Specialist

Position No. 481-56-602

Salary Range: \$32,889 – \$39,937

Description: This is professional environmental health work in the promotion of public health through education, surveillance, consultation, inspection, and enforcement of state, local, and federal environmental health laws and regulations. Employees may work as generalists with responsibility in a variety of environmental health programs, or as specialists with the majority of time spent in a single program area with some additional responsibility in other programs. Work may include coordinating the work and training of technicians, and assisting in the training of new Environmental Health Program Specialists. Employees typically consult with Environmental Health Program Specialists, Environmental Health Program Coordinator, or supervisors on more complex issues.

Work Schedule: Hours are primarily Monday through Friday 8:00 a.m. to 5:00 p.m. with one hour for lunch. Work may require frequent trips to Ocracoke Island, including occasional overnight stays.

Minimum Training and Experience: Graduation from a four-year college or university with 30 semester hours in the physical or biological sciences and two years of exposure in environmental health; or a four-year or Master's degree in environmental health from a program which is accredited by the National Accreditation Council for Environmental Health Curricula of the National Environmental Health Association and one year of experience in environmental health.

Necessary Special Qualification: Approval for registration as a Sanitarian or registration as a Sanitarian by the North Carolina Board of Sanitarian Examiners prior to employment.

Special conditions for employment: Prior to employment, the successful applicant will be asked to submit to pre-employment screenings. Applicants must possess a valid NC driver's license.

Deadline for submission of application: February 29, 2011
